13 MAR 1980

MEMORANDUM FOR: Deputy Director for Administration

FROM: [REDACTED]
Acting Director of Security

SUBJECT: Office of Security Significant Activities
Week of 6 March 1980 (U)

REFERENCE: DDA Administrative Instruction No. 74-5

1. This memorandum is for information only. (U)
2. The activities of the Office of Security during the week of 6 - 12 March 1980 were highlighted by the following items:
 - a. During the reporting period, the joint OS/ODP Office of Security Information Handling Systems Study Group conducted extensive interviews at Headquarters and the [REDACTED] Future activity related to the study involves a planned visit to the [REDACTED] by a two-member team on 7 March 1980. It is anticipated that a draft report covering information flow between Headquarters and [REDACTED] will be available in late May. (U)
 - b. On 8 March, the Information Systems Security Group sponsored a briefing by the Chairman of the Department of Defense Computer Security Consortium on his proposal to develop an Intelligence Community sponsored group which would evaluate data processing products for the purpose of developing an approved products list that could be used in the processing of classified data. In attendance were representatives of the Office of Research and Development, Office of Data Processing, Information Management Staff/DO, and the Information Handling Task Force. (U)
 - c. A report of the activities of the Special Security Center during February 1980, submitted during the reporting period, reflects that six persons associated with the Senate Select Committee on Intelligence, the
